

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1921 - SB 1905

February 8, 2018

SUMMARY OF BILL: Requires newly elected or appointed county commissioners to complete seven hours of orientation training and all county commissioners to complete seven hours of continuing education training annually. Requires the County Technical Assistance Service (CTAS) to provide such training and the Comptroller of the Treasury (COT) to post the name of each county commissioner and the number of training hours completed on their website.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Any cost associated with the COT posting the status of training hours completed for each county commission on their website will not result in any significant fiscal impact to state government.
- CTAS currently provides training courses to county officials free of charge; therefore, any increase in local government expenditures is estimated to be not significant.
